24,410 WHEELCHAIRS DONATED
The shop continues to build more than 200 wheelchairs a month, 2255 so far in 2021. This despite having to shut down for several days in August because of tribal conflict and killing in the area, and again because of generator problems. Here are photos of recent distributions.

Thank you for your gifts to Wheelchairs for Nigeria! Even though Nigeria is now polio free, there are still uncounted tens of thousands of polio survivors who spend their lives crawling on the ground. \$150 transforms a life! Give online or mail a check to 1542 Palm Ave SW, Seattle WA 98116.

After tribal conflict near Jos, with over 100 killed, Ayuba organized a peace meeting at the shop, with 10 representatives from each of the 8 communities in the area.

On Oct. 28 Ayuba visited the deaf school we have been helping and came away in tears. There was not one grain of food for the 400+ deaf students. After consulting with Ron he purchased 22 bags of maize, 8 of millet, 5 of rice, 4 of beans, 5 of garri and 5 jerry cans of palm oil, enough for the remaining 7 weeks of the term.
