There are still tens of thousands of polio survivors who spend their lives crawling on the ground. \$150 transforms a life! Give online or mail a check to 1542 Palm Ave SW, Seattle WA

Ayuba took 90 pairs of crutches and 40 walkers to a primitive orthopedic clinic (5-hour drive) with 100 patients lying on the ground, some under a roof. They had no potable water and had to use the bush—no toilets. Ron told Ayuba to get well drillers there to drill a borehole and workers to build toilets.

Diamond, our administrative assistant, gave out 36 white canes to blind students at the University of Jos
