July 2022

**1931 WHEELCHAIRS** given in the first 6 months of 2022, a new record! Increased production means increased need for support. Thanks for your gifts

**TRANSFORM A LIFE FOR \$150!** Even though the last 3 cases of wild polio virus in Nigeria were in August 2016, there are still uncounted tens of thousands of polio survivors who spend their lives crawling on the ground or scooting on their bottoms. The need is huge. At every wheelchair distribution more disabled show up whose names were not on the list. It is heartbreaking to see them go home empty handed.

Mail your tax-deductible check to 1542 Palm Ave SW, Seattle WA 98116, or give online at [www.WheelchairsforNigeria.org](http://www.WheelchairsforNigeria.org). Thank you for your gifts.

**DEDICATION PRAYER** for 250 wheelchairs and 10 walkers given at Kaltango, Gombe State, by far the largest number ever given in one day. This was well organized in a soccer stadium by evangelist Bitrus Dasar, Ayuba's close friend.

**THE EMIR OF DAURA**, Katsina State, welcomes Ayuba and Beautiful Gate. This city in the far north is the hometown of President Buhari. Forty wheelchairs were given, but there are 1400 in this Emirate still needing them.

Ayuba signs a Memorandum of Understanding with the Nigerian Army who have agreed to escort the delivery of wheelchairs to refugee camps in Boko Haram areas.

Ayuba discovered the Deaf School we have been helping had completely run out of food, with 5 weeks left in the term. The principal was going to send the 475 students home before they could finish their final exams. The students who had been on a starvation diet, were very excited at all the food which Ayuba brought.
