

# WHEELCHAIRS FOR NIGERIA

December 2025

## 100 WHEELCHAIRS GIVEN IN DANGEROUS FAR NORTH

On Sunday, December 21st, Sandra Yilgwan, our Media Supervisor, represented Beautiful Gate in giving out 100 tri-cycle/wheelchairs in Katsina, close to Nigeria's northern border, an 11 hour trip from Jos.

She wrote, "I shared Beautiful Gate's mission, highlighting our work and the distribution of over 40,000 wheelchairs across Nigeria, funded by Christians in America. I explained that our ministry fulfills Jesus Christ's command of love, giving these aids in His name. The event was met with applause and smiles—many beneficiaries, from conflict-ridden areas of the state, called the wheelchairs a 'huge relief.'"

100 wheelchairs given at Juda, Adawama State, far to the east of Jos, December 1st

100 wheelchairs given at Iseyin, Oyo State, far to the west of Jos, on December 13th.

Thank you to everyone who has helped to support this ministry in 2025! Because of your generosity 4000 polio survivors have had their lives transformed this year.
