CHIEF AYUBA GUFWAN APPOINTED TO HIGH FEDERAL OFFICE

The President of Nigeria has appointed Ayuba Gufwan, head of Beautiful Gate Handicapped People Center and Ron's partner for 25 years, as the Executive Secretary of the National Commission on People with Disabilities.

Ayuba will supervise 128 agency staff and represent the needs of 35 million disabled Nigerians before the federal government.

It is an amazing honor and achievement for a polio survivor who didn't start 4th grade until age 19 when his uncle built him a wheelchair, and with great effort graduated from the Law Faculty of the University of Jos. He has built Beautiful Gate into the largest wheelchair ministry by far in this huge country of 220 million.

Our MBA Administrator, Diamond Chidozie, has been named Acting Director by the Beautiful Gate Board. Media Director and photographer, Sandra Yilgwan, is well qualified to represent Beautiful Gate at distributions when Ayuba cannot attend.

Thank you for your contributions to Wheelchairs for Nigeria. \$150 transforms a life, from crawling on the ground to having mobility. Give online at WheelchairsforNigeria.org or mail your check to 1542 Palm Ave SW, Seattle WA 98116.

Ron and Sharon Rice had to cancel their annual October trip to Nigeria. It has become too dangerous. Ayuba is trying to schedule distributions in safer areas.
